

HAVE A FRIEND, FAMILY MEMBER OR LOVED ONE IN NEED OF AN AUTOMOTIVE REPAIR THAT THEY JUST CANNOT AFFORD? FOX AUTO PARTS AND SERVICE IS HERE TO HELP.

We are introducing the "FOX AUTO CARES" Program...because we do! We'd like to help out those in our community who are struggling to keep their car on the road. Once a month, Fox Auto will select a family or individual-in-need to provide complementary vehicle service to ensure their vehicle is in safe, working order at no charge!

WHY?:

Fox Auto Parts has been a proud part of the community since 1973. We have made great strides to maintain relationships with those in Belleville, Sumpter, Ypsilanti, Milan, Willis, Saline, and other surrounding areas. Our community has helped us flourish and we feel it is time to give back to those who have helped make us what we have become. This is a great opportunity to show that we are committed to growing here, in this community, and continue to contribute to those who mean the most to us.

HOW DO THEY QUALIFY?:

PLEASE, GET PERMISSION FIRST. Then, if you know someone who is in need, send us a letter, fax, or email explaining their situation as best you can. Let us know why you believe this person should be chosen for the FOX AUTO CARES Program. Leave your contact information, vehicle description and vehicle repair recipient's contact information.

WHAT HAPPENS NEXT?:

At the beginning of each month, Fox Auto Parts and Service will choose a person to be sponsored by the FOX AUTO CARES Program. The service department will contact the winner to schedule an appointment. Fox Auto Parts and Service will then diagnose the vehicle's issues, handle the necessary repairs, have them come in for photos with those who helped, and send the lucky recipient on their way with NO FEES.
